## MADE<sup>+</sup>KIDS

## FOR THE KIDS OF THE COOL KIDS

Who says beautiful design is only for grown-ups? Not MADE.COM. We say start them on the good stuff early. Upgrade your kids' rooms with bedding, furniture and accessories from our new children's range. Created with a dream team of expert craftsmen and designers, who joined forces to bring your little 'uns the unique style and uncompromised quality we pride ourselves on.

Don't just take our word for it though. Have a look for yourself at [www.made.com](http://www.made.com), or visit one of our showrooms in Notting Hill and Soho in London, or Redbrick in West Yorkshire.
